

1 GENERAL INFORMATION

On February 10th, 2012 in Dublin the clinical board of EuroNet-PHL and the national chairpersons of the participating study groups (see section 1.1) agreed on the design of a second European protocol in children and young people with classical Hodgkin's lymphoma (EuroNet-PHL-C2), which is described in this protocol. Further study groups are encouraged to join. The EuroNet-PHL-C2 trial is a multinational inter-group trial, involving national study groups.
